# Transforming Life

## Ephesians 4: 23-24

**And be renewed in the spirit of your mind, and that you put on the new man which was created according to God, in true righteousness and holiness.**

### Welcome!

A very warm welcome to you! Thank you for connecting with me. I believe it is the will of God concerning you and I hope you will receive a blessing from our connection.

We are living in very unprecedented times follow-

ing the recent global pandemic, recession, mass unemployment and racial tensions around the world.

There is a real sense of anxiety and fear due to the uncertainty of the continu-

ally changing circumstances which are affecting all of us directly or indirectly.

People are seeking reassurance and a way out of difficult circumstances which make them willing to try almost anything.

But as Christians we have a sure and certain hope in Christ, of eternal life and His peace and love for our daily lives.

We must hold onto this hope in the face of everything that is going on, no matter how bad it looks.

Jesus Christ is the answer that the world needs but there is an adversary that is working to stop them receiving this truth.

There is a scripture that I would like to share:

1 Peter 5:6 –10

“Therefore humble yourselves under the mighty hand of God, that He may exalt you in due time, casting all your care upon Him, for He cares for you.

Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. Resist him, steadfast in the faith, knowing that the same sufferings are experienced by your brotherhood in the world. But may the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you.”

*Remind yourself of this every day*

*In Christ we win!*

### You Can Make A Difference

You have something that someone needs. God has given every one of us a gift that is needed by someone in the world somewhere.

Our task is to find out what it is and nurture it.

We are accustomed to seeing the popular Christian televangelists, authors and speakers being promoted as providers of wise counsel, prayer,

advice and encouragement.

But actually we are all supposed to reach a place in our relationship with Jesus Christ where we stop just dealing with our own needs and start to think about how we can help others.

No matter who you are and what you have experienced, if you are a child of God, you already have

inside you exactly what you need to make a difference in someone else's life.

So make a difference today! Let the Word of God dwell in you richly and get the wisdom of God to make impact.

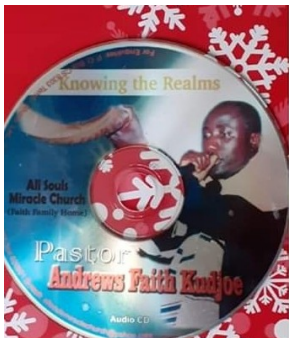

Proverbs 4:7

## Transforming Life

### Who is Andrews Kudjoe?

Blowing the shofar in Ghana. CD cover for a message I preached entitled **Knowing The Realms**

You may be wondering who I am and you are correct in wanting to make sure that you are following someone who has the same belief system as you.

I became a born again Christian as a young man back in Ghana, West Africa and attended Bible School which is affiliated with Christ For The Nations Bible School in the USA. I was licensed by the American Evangelical and Conquerors Faith Chapel in Ghana.

I pastored a church with my brother Bishop Thomas and supported him in the Bible School. I taught and raised a lot of prayer people who have found their purpose and place in the five-fold ministry in Ghana and abroad.

By God's grace I worked with a lot of missionaries from different countries who visited our church in Ghana, praying and working to break grounds in urban areas for

church planting.

I now live in London and my passion and desire to see the people of God grow and take their place in the Kingdom is just as strong now as it was when I was in Ghana. I am a family man, an Apostle of prayer, preacher of 'word of faith,' Christian counsellor and author.

I conduct seminars addressing personal and corporate spiritual warfare for churches, to bring greater understanding and more effective utilisation of the word of God in the church assemblies. I teach about the unity of church auxiliary departments, the Christian's identity in Christ, the ministration of spiritual offices and the ministration of spiritual gifts.

My desire is to see the people of God living and reigning in the liberty and authority that God intended.

## Who Influences You?

Have you ever asked yourself, why do you do what you do? Are you satisfied with your life? If not, could it be due to the influences in your life? You are three-dimensional and each dimension requires your attention.

This book will give you insight about:

What makes you do what you do  
How your flesh operates  
How to overcome the negative opinion of others  
The glory of God that is inside you

The insights in this book will help you to understand God's unmerited favour, the blessing of His authority and power activated and expressed by faith and working through love.

## Understanding Prayer Dynamics

This life-changing book gives insights into prayer and how to get closer to God, to know His love for you and pray more effectively. This book will help you:

Experience the love of God in answered prayer  
Be aware of the devices of the enemy  
Exercise your divine authority

You no longer have to accept the lies and the deception of the enemy but you can fight the good fight of faith and win! Declare prophetic prayers in your life and decree the truth of God's word into your future. You can take territories and have influence through prayer to the glory of God. Prayer is communication with God and helps to build your relationship with God so you can pray and seek God with confidence.

“Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; <sup>7</sup> and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus.

Finally, brethren, whatever things are true, whatever things *are* noble, whatever things *are* just, whatever things *are* pure, whatever things *are* lovely, whatever things *are* of good report, if *there is* any virtue and if *there is* anything praiseworthy—meditate on these things. <sup>9</sup> The things which you learned and received and heard and saw in me, these do, and the God of peace will be with you.”

Philippians 4:6-9

## Social Media Ministry

Be sure to check out my social media pages on Facebook, Instagram, Twitter and LinkedIn.

There are Facebook Live sessions of Bible teachings, audio sessions where I share thoughts and revelations and how we can deal with a crisis such as the recent pandemic and the consequences of it, like the recession, unemployment and the pending mental health pandemic which followed and will probably last long after the global health pandemic is over.

Your mental state depends on what you

think and meditate on. The Bible tells us how to transform our minds and have a healthy mindset. Philippians 4:6-9.

There is so much information available on the internet now and our current situation means some of us have more time to enrich our lives by listening and studying the Word of God to ensure we are prepared for whatever is coming in the future.

Have a look!
